# ICRAIQ2IT - 2027

5th International Conference on

## Recent Advancements in Artificial Intelligence and Quantum Intelligence and Inclusive Technologies

https://rvrnriuniversity.edu.in/icraiq2it-2027

**09 - 10 April 2027 | Vijayawada, India**

Blended mode | https://rvrnriuniversity.edu.in/icraiq2it-2027

ORGANIZED BY

**School of Computing and Intelligent Systems**

**Dr. RVR NRI Institute of Technology (Deemed to be University)**

NBA Accredited | NAAC "A" Graded | Pothavarappadu, Agiripalli Mandalam, near Vijayawada, Andhra Pradesh

## Dr. RVR NRI Institute of Technology (Deemed to be University)

Established in 2008 under the aegis of Sri Durga Malleswari Educational Society, Vijayawada, NRI Institute of Technology has recently attained the status of a Deemed to be University, reflecting its commitment to academic excellence, research, and innovation in Science, Engineering, Technology, and Management. It sits amid lush greenery on a sprawling 20-acre campus of mango groves along the Vijayawada-Nuzividu State Highway, about 23 km from Vijayawada city and 22 km from Gannavaram Airport, with college buses and public transport.

**Undergraduate programmes:** CSE, CSE (AI & ML), CSE (Data Science), AI & ML, CSE (Telugu Medium), IT, ECE, EEE, Mechanical and Civil Engineering. **Postgraduate programmes:** M.Tech. in CSE, Digital Electronics and Communication Systems, Power Electronics and Drives, Structural Engineering, Thermal Engineering, and an MBA. All departments are equipped with modern infrastructure, advanced laboratories, research facilities, and contemporary software tools, nurturing creativity, technical competence, and professional ethics among students.

## About the Organizing School

The School of Computing and Intelligent Systems was established to deliver high-quality education and foster innovation and research in computing and emerging technologies. It offers B.Tech. programmes in CSE, CSE (AI & ML), AIML, CSE (Data Science), CSE (Telugu Medium), and IT, an M.Tech. in CSE, and a Ph.D. in Computer Science and allied disciplines. Supported by experienced faculty, state-of-the-art laboratories and advanced computing facilities, the School promotes outcome-based education through strong theoretical foundations, practical exposure, and project-oriented learning. It collaborates with industry professionals, academic experts, and research organisations on workshops, seminars, faculty development programmes, and conferences. It has MoUs with leading industries and academic institutions and hosts an AICTE IDEA Lab.

## About the Conference

ICRAIQ2IT - 2027 is a premier international platform for academicians, scientists, researchers, industry professionals, innovators, and students to exchange ideas, present research outcomes, and discuss emerging trends in Artificial Intelligence, Quantum-Inspired Computing, and Deep Technology Innovations. It bridges theory and practice through interdisciplinary collaboration, and features keynote addresses, invited talks, technical paper presentations, workshops, and panel discussions. Young researchers and students are encouraged to present and interact with global experts.

## Venue

Dr. RVR NRI Institute of Technology (Deemed to be University), Pothavarappadu, Agiripalli Mandalam, Eluru District, Andhra Pradesh, India - 521212. Location: 16.66328, 80.73777

## Objectives

- Discuss recent advancements in Artificial Intelligence, Quantum-Inspired Computing, and Deep Technology Innovations.
- Provide a global platform for knowledge sharing among academicians, researchers, industry professionals, and students.
- Showcase innovative research and emerging applications in intelligent systems, automation, cybersecurity, healthcare, and smart technologies.
- Encourage collaborative R&D between academia, industry, and research organizations.
- Highlight future trends, challenges, ethical considerations, and real-world impacts of AI and quantum-inspired technologies.
- Promote interdisciplinary research and strengthen industry-academia partnerships for next-generation intelligent technology ecosystems.

## Conference Topics

Papers are invited on the following topics, but not limited to:

- Machine Learning and Deep Learning Applications
- Generative AI and Large Language Models
- Quantum-Inspired Computing and Algorithms
- Data Science, Big Data Analytics, and Business Intelligence
- Explainable, Ethical, and Responsible AI
- Edge Computing and Intelligent Automation
- Internet of Things (IoT) and Smart Systems
- Cloud Computing and Distributed Systems
- Cybersecurity, Blockchain, and Digital Forensics
- Computer Vision and Image Processing
- NLP and Speech Technologies
- Human-Computer Interaction and Cognitive Computing
- AI in Healthcare, Education, Agriculture, and Smart Cities
- AI for Sustainable Development and Climate Solutions
- Quantum Cryptography and Intelligent Security Systems
- Embedded Systems and Smart Sensor Technologies
- High-Performance Computing and Next-Generation Networks
- Deep-Tech Innovations and Emerging Technologies
- AI Applications in Finance, Manufacturing, and Logistics
- Innovation Ecosystems, Startups, and Technology Entrepreneurship
- Interdisciplinary Applications of AI and Quantum-Inspired Technologies

## Call for Papers

Faculty members, research scholars, and postgraduate students from AICTE-approved institutions, as well as industry professionals, are invited to submit original, unpublished, high-quality research papers in the areas of Artificial Intelligence, Quantum-Inspired Computing, and Deep Technology Innovations. Manuscripts must follow the prescribed format and be limited to 6 pages. All accepted and presented papers will be published in the conference proceedings.

### Important Dates

| Event | Date |
|---|---|
| Submission of Manuscripts | 24 January 2027 |
| Notification of Acceptance | 24 February 2027 |
| Registration Deadline | 10 March 2027 |
| Camera-Ready Submission | 30 March 2027 |
| Conference Dates | 09-10 April 2027 |

### Registration Fee

| Category | India (Rs.) | International (USD) |
|---|---|---|
| Students / Research Scholars | 3,000 | $75 |
| Academician | 4,000 | $75 |
| Industry Professional | 4,000 | $75 |
| Listener | 2,000 | $50 |
| Scopus-Indexed Proceedings (approval awaited) | 6,000 | $100 |
| Non-Scopus Proceedings (ISBN + DOI; Google Scholar indexed) | 2,000 | $50 |

**Extra page charges:** Rs. 1,500 per additional page. **Mode of conference:** Blended.

## Publication of Proceedings

Authors may select one of the following options, subject to the applicable publisher or proceedings requirements: (1) **Scopus-indexed proceedings** - approval is awaited; publication and indexing are not guaranteed and remain subject to publisher approval and confirmation. Approval is under review by AIP, Taylor and Francis, and Springer LNCS; (2) **Non-Scopus proceedings** with ISBN and DOI (Google Scholar indexed).

## Paper Submission Guidelines

- Maximum of 6 pages in the IEEE A4 single-column conference template, submitted in LaTeX format (templates at ieee.org/conferences/publishing/templates).
- Plagiarism and AI similarity must not exceed 10% (excluding references). Authors must run the check and attach the report with the paper.
- A few papers will be accepted as poster presentations.
- Papers are submitted through Microsoft CMT.

## Awards and Certificates

The Best Presentation Award goes to the most inspiring, impactful, and professionally delivered talk, judged on presentation scores and the quality of the submitted paper, at the discretion of the Conference Chair. All participants receive a Participation Certificate; presenters also receive a Paper Presentation cum Publication Certificate.

## Conference Organizing Committee

**Chief Patrons:** Dr. R. Venkat Rao, Chancellor • Prof. K. R. S. Sambasivarao, Vice-Chancellor • Sri Teja Sai Moturi, CEO

**Patrons:** Dr. C. Naga Bhaskar, Pro-Vice Chancellor • Dr. G. Sambasivarao, Pro-Vice Chancellor

**General Chair:** Dr. K. V. Sambasiva Rao, Professor & Dean, R&D

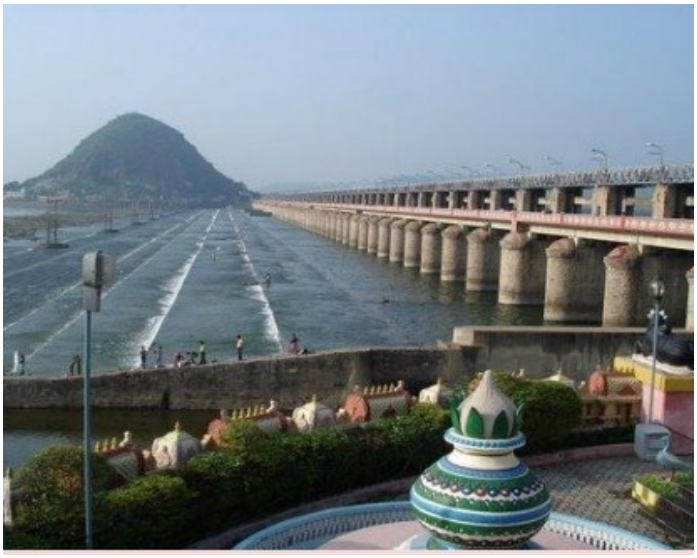

**Convener:** Dr. D. Sunitha, Dean, School of Computing and Intelligent Systems

**Co-convener:** Prof. B. Venugopal, HOD, CSE

**Editorial Committee:** Dr. K. V. Sambasiva Rao (Chair) • Dr. Anasuya Sesha Roopa Devi Bhima, Conestoga College, Canada (Co-chair) • Dr. D. Sunitha; Prof. B. Venugopal • Dr. T. Srinivasa Ravi Kiran, P. B. Siddhartha College of Arts and Science, Vijayawada • Dr. Vinay Kumar Kasula, Univ. of the Cumberlands, USA • Dr. Dakshina Ranjan Kisku, NIT Durgapur

| | |
|---|---|
| **Technical Program Committee** | Dr. D. Sunitha (Chair) • Dr. Rama Sree Sripada, Aditya University, Kakinada • Ankur Bhatnagar, IEEE Senior Member, USA • Dr. Balwinder Raj, NIT Jalandhar • Dr. Paritosh Bhattacharya, NIT Agartala • Dr. Manisha Bharti, NIT Delhi • Prof. V. Ch. Venkaiah, University of Hyderabad • Dr. Anasuya Sesha Roopa Devi Bhima, Conestoga College, Canada • Neha Boloor, Zoox Inc., USA • Yuhao Chen, Circle Internet Financial, USA • Praveen Hegde, Verizon, USA • Dr. Bhargavi Konda, Univ. of the Cumberlands, USA • Uma Desu, IntelliIndia, Hyderabad • Sai Satish Damaraju, Indian Servers, Vijayawada • Abhishek Doijode, Virtusa |
| **International Advisory Committee** | Srikanth Bellamkonda, Barclays Services Corp, USA (Chair) • Vishal Jain, Software Engineering Leader, USA • Niranjan Reddy Kotha, Charter Communications, USA • Dr. Mohammad S. Khan, East Tennessee State Univ., USA • Prof. Marcos Eduardo Valle, Univ. of Campinas, Brazil • Prof. Marco Di Renzo, CNRS / CentraleSupelec, France • Prof. Saad Mekhilef, University of Malaya, Malaysia • Rachit Gupta, Guardian Life Insurance, USA • Jyotirmay Jena, HCL Technologies, USA • Dr. Shashi Kant Gupta, Lincoln Univ. College, Malaysia • Muhammad Saqib, Amazon Web Services, USA • Sudheer Kolla, Centers for Medicare & Medicaid Services, USA • Shubham Malhotra, Amazon Web Services, USA • Shilpi Bhattacharyya, IBM, USA • Sam Prakash Bheri, Microsoft, USA • Raja Chakraborty, Ticketmaster / Live Nation, USA • Chinmay Jain, Waymo, USA • Priya Yesare, Asurion, USA • Dr. Mounica Yenugula, Equifax, USA • Ruthvik Uppaluri, Univ. of Missouri-Kansas City, USA |
| **National Advisory Committee** | Dr. Ch. V. Murali Krishna, HOD CS-DSc, NRIIT (Chair) • Prof. J. Rajendra Prasad, HOD IT, NRIIT • Dr. Ramesh Kumar Bhukya, IIIT Allahabad • Dr. Shesha Raghunathan, IBM, Bengaluru • Prof. V. V. Subrahmanyam, IGNOU, New Delhi • Prof. Rama Murthy Garimella, Mahindra University • Dr. J. Venkataramanaiah, NIT Surat • Dr. Koppala Guravaiah, IIIT Kottayam • Dr. Manjunath Mulimani, MIT Manipal • Dr. Shonak Bansal, Chandigarh University • Dr. Bh. Dasaradh Ram; Dr. P. Rajendra Kumar, NRIIT • and faculty of NRIIT, VITAP, PBSc, Thapar, BL Bajaj, IIIT Sricity |

## About Vijayawada

Vijayawada, the second-largest city in Andhra Pradesh, lies on the banks of the Krishna River, flanked by the Indrakeeladri Hills. Known as "The Business Capital of Andhra Pradesh," it is a key centre for commerce, politics, and agriculture. Major attractions include the Kanaka Durga Temple, Prakasam Barrage, Undavalli Caves, Bhavani Island, Gandhi Hill, and Mogalarajapuram Caves.

**Weather in April:** April is typically hot in Vijayawada; light clothing, sun protection, and early-day sightseeing are advisable.

**How to Reach:** Vijayawada is well connected by air, rail, and road. Vijayawada International Airport (Gannavaram) operates flights to Delhi, Mumbai, Chennai, Bengaluru, Hyderabad, and more. Vijayawada Junction is a major station on the Chennai-Howrah and Chennai-Delhi routes. The city also has a robust road network with frequent bus services from various parts of India. Its strategic location, tourist spots, and connectivity make Vijayawada a perfect destination for both business and leisure travel. The campus is about 23 km from the city, with college buses and public transport available.
