

ICRAIQ2IT - 2027

5th International Conference on Recent Advancements in Artificial Intelligence and Quantum Intelligence and Inclusive Technologies

09 – 10, April 2027 | Vijayawada | India

www.rvrnriuniversity.edu.in/icraiq2it-2027

Organized by

**SCHOOL OF COMPUTER STUDIES
DR RVR NRI INSTITUTE OF TECHNOLOGY,
DEEMED TO BE UNIVERSITY
NBA Accredited | NAAC “A” Graded
Pothavarappadu | Agiripalli Mandalam | Near
Vijayawada | Andhra Pradesh, India**

Dr RVR NRI Institute of Technology (Deemed to be University), Pothavarappadu, Vijayawada Rural, Andhra Pradesh

Established in 2008 under the aegis of Sri Durga Malleswari Educational Society, Vijayawada, NRI Institute of Technology has recently attained the status of a Deemed to be University, reflecting its commitment to academic excellence, research, and innovation in Science, Engineering, Technology, and Management. The institution is situated in a peaceful and eco-friendly environment amidst lush greenery on a sprawling 20-acre campus of mango groves along the Vijayawada–Nuziveedu State Highway. The campus is well connected through college bus facilities and public transportation, located nearly 23 km from Vijayawada city and about 22 km from Gannavaram Airport.

NRI College of Pharmacy, established in 2007 under the auspices of Sri Durga Malleswara Educational Society, is a premier pharmaceutical institution situated at Pothavarappadu, Agiripalli Mandal, near Vijayawada, Andhra Pradesh. Approved by the Pharmacy Council of India (PCI) and the All India Council for Technical Education (AICTE), the college is permanently affiliated with Jawaharlal Nehru Technological University, Kakinada (JNTUK). The institution offers comprehensive professional and academic programs including Bachelor of Pharmacy (B.Pharm), Doctor of Pharmacy (Pharm.D), and Master of Pharmacy (M.Pharm) with specializations in Pharmaceutics, Pharmaceutical Analysis, and Regulatory Affairs.

The University offers a wide range of undergraduate programmes in Engineering and Technology, including CSE, CSE (AI & ML), CSE (Data Science), Artificial Intelligence & Machine Learning, CSE (Telugu Medium), Information Technology, ECE, EEE, Mechanical Engineering, and Civil Engineering. In addition, it offers postgraduate programmes such as M.Tech. in Computer Science and Engineering, Digital Electronics and Communication Systems, Power Electronics and Drives, Structural Engineering, Thermal Engineering, along with an MBA programme. **update**

All departments are equipped with modern infrastructure, advanced laboratories, sophisticated research facilities, and contemporary software tools to support quality teaching, innovation, and research activities. The institution continuously strives to create an academically vibrant environment that nurtures creativity, technical competence, and professional ethics among students.

About the Organizing School

The School of Computer Studies at Dr. RVR NRI Institute of Technology (Deemed to be University) was established with the objective of delivering high-quality education and fostering innovation and research in the field of computing and emerging technologies. The School offers undergraduate programmes in Computer Science and Engineering, CSE (Artificial Intelligence & Machine Learning), AIML, CSE (Data Science), CSE (Telugu Medium), and Information Technology. **MTECH IN CSE**

At the doctoral program level, the School offers Ph.D in Computer Science and allied disciplines, enabling students to gain advanced knowledge and pursue research in emerging domains of computing. The department is strengthened by experienced and highly qualified faculty members dedicated to academic excellence, research, innovation, and student development. It has substantial student enrolment across various programmes and promotes outcome-based education through strong theoretical foundations, practical exposure, and project-oriented learning methodologies.

The School is supported with state-of-the-art laboratories, advanced computing facilities. It actively collaborates with industry professionals, academic experts, and research organisations to conduct workshops, seminars, faculty development programmes, and conferences, thereby equipping students with contemporary knowledge and industry-ready skills. IT HAS MOUS WITH ALEADING INDUSTRIES AND ACADEMIC INSTITUTIONS, AICTE IDEA LAB FOR PROMOTING INNOVATION AND RESEARCH

About the organizing Institutes

About the Conference

ThIS is 5th International Conference on Recent Advancements in Artificial Intelligence and Quantum Intelligence and Inclusive Technologies (ICRAIQ2IT – 2027) is scheduled to be held during 09–10 April 2027. The conference aims to provide a premier international platform for academicians, scientists, researchers, industry professionals, innovators, and students to exchange ideas, present research outcomes, and discuss emerging trends in Artificial Intelligence, Quantum-Inspired Computing, and Deep Technology Innovations.

ICRAIQ2IT – 2027 seeks to bridge the gap between theoretical research and practical applications by encouraging interdisciplinary collaboration and knowledge sharing among experts from academia, industry, research laboratories, and technological institutions across the globe. The conference will focus on the latest developments in intelligent systems, machine learning, deep learning, quantum-inspired algorithms, automation, cybersecurity, data science, robotics, cloud technologies, and next-generation computing paradigms.

The event will feature keynote addresses, invited talks, technical paper presentations, workshops, and panel discussions delivered by eminent researchers, distinguished academicians, and industry leaders from around the world. These sessions will provide valuable insights into current challenges, innovative solutions, and future research directions in rapidly evolving technological domains.

ICRAIQ2IT – 2027 offers an excellent opportunity for participants to network, collaborate, and explore cutting-edge advancements that are shaping the future of science, engineering, and intelligent technologies. The conference also encourages young researchers and students to actively participate, present their innovative ideas, and interact with global experts. We cordially invite all researchers, professionals, academicians, and students to contribute and make ICRAIQ2IT – 2027 a grand international success.

Objectives of the Conference

- To discuss recent advancements in Artificial Intelligence, Quantum Inspired Computing, and Deep Technology Innovations.
- To provide a global platform for knowledge sharing among academicians, researchers, industry professionals, and students.
- To showcase innovative research contributions and emerging applications in intelligent systems, automation, cybersecurity, healthcare, and smart technologies.
- To encourage collaborative research and development activities between academia, industry, and research organizations.
- To highlight future trends, challenges, ethical considerations, and real-world impacts of AI and Quantum Inspired technologies.
- To promote interdisciplinary research and strengthen industry-academia partnerships for next-generation intelligent technology ecosystems.

Call for Papers (CFP)

We warmly invite Faculty members, research scholars, postgraduate students from AICTE-approved institutions, and industry professionals are eligible to apply for participation in the conference academicians, research scholars, postgraduate students and industry professionals to submit original, unpublished, and high-quality research papers in the areas of Artificial Intelligence, Quantum Inspired Computing, and Deep Technology Innovations. Manuscripts should be prepared in the prescribed format and limited to 6 pages. All accepted and presented papers will be published in the conference proceedings,

Conference Topics

The conference will be focused on addressing research challenges in the following topics, but are not limited to: Artificial Intelligence and Intelligent Systems

- Machine Learning and Deep Learning Applications
- Generative AI and Large Language Models
- Quantum Inspired Computing and Algorithms
- Data Science, Big Data Analytics, and Business Intelligence
- Explainable, Ethical, and Responsible AI
- Edge Computing and Intelligent Automation
- Internet of Things (IoT) and Smart Systems
- Cloud Computing and Distributed Systems
- Cybersecurity, Blockchain, and Digital Forensics
- Computer Vision and Image Processing
- Natural Language Processing and Speech Technologies
- Human-Computer Interaction and Cognitive Computing
- AI in Healthcare, Education, Agriculture, and Smart Cities
- AI for Sustainable Development and Climate Solutions
- Quantum Cryptography and Intelligent Security Systems
- Embedded Systems and Smart Sensor Technologies
- High-Performance Computing and Next-Generation Networks
- Deep-Tech Innovations and Emerging Technologies
- AI Applications in Finance, Manufacturing, and Logistics
- Innovation Ecosystems, Startups, and Technology Entrepreneurship
- Interdisciplinary Applications of AI and Quantum Inspired Technologies

Venue

Dr RVR NRI Institute of Technology, Deemed to be University
Pothavarappadu,

Agiripalli Mandalam, Eluru District,
Andhra Pradesh, India Pin-521212

Location: 16.66327986299729, 80.73777642559249

Conference Registration

Faculty members, research scholars, postgraduate students from AICTE-approved institutions, and industry professionals are eligible to apply for participation in the conference.

Registration Fee:	3500
Publication Fee	
Ph.D scholars, PG/UG Students	6500
Academecian	7500
Industry Professionals	10000
International Participants	150USD

Mode of Conference : Blended

Awards

To encourage meaningful contributions and promote quality research, the conference will recognize outstanding presentations through awards. Based on evaluations by the committee and the discretion of the Conference Chair, the **Best Presentation Award** will be given to the most inspiring, impactful, and professionally delivered talk. The selection will be made considering both the presentation scores and the quality of the submitted paper.

Important Dates

Event	Date
Submission of Manuscripts	24th Jan, 2027
Notification of Acceptance	24th Feb, 2027
Registration Deadline	10th Mar, 2027
Camera Ready Submission	30th Mar, 2027
Conference Dates	09–10 Apr, 2027

Publication of Proceedings

The conference proceedings shall be published in Taylor & Francis / American Institute of Physics (AIP)/ Springer group/ Elsevier/ EasyChair subject to approval and confirmation. All accepted papers will be compiled into the official conference proceedings and will be Scopus indexation.

Paper Submission Guidelines

Authors intended to submit their research findings, shall follow the guidelines :

- Maximum number of pages is 6 in 8.25 × 11 inch paper single-column template. The Paper format will be IEEE, A4 USA FROMAT SUBMITTED IN LATEX FORMAT : <https://www.ieee.org/conferences/publishing/templates> of **A4 (DOC, 30 KB) Updated 2024}}**
- Plagiarism and AI Similarity must not be above 10 %, (**without references**) and check should be performed by the authors and the report must also be attached along with the paper.
- Few papers would be allowed as poster presentations.
- Paper submission Link : MICROSOFT CMT

Conference Organizing Committee

Chief Patrons

- Dr R Venkat Rao, Chancellor, Dr RVR NRI Institute of Technology (DTBU), Agiripalli, Vijayawada
- Prof K R S Sambasivarao, Vice-Chancellor, Dr RVR NRI Institute of Technology (DTBU)
- Sri Teja Sai Moturi, CEO, Dr RVR NRI Institute of Technology (DTBU)

Patrons

- Dr C Naga Bhaskar, Pro-Vice Chancellor, Dr RVR NRI Institute of Technology (DTBU)
- Dr G Sambasivarao, Pro-Vice Chancellor, Dr RVR NRI Institute of Technology (DTBU)

General Chair

- Dr. K. V. Sambasiva Rao, Professor & Dean, R & D, Dr RVR NRI Institute of Technology (DTBU)

Convener

- Dr D Sunitha, HOD : Dean : School of Computer Studies, Dr RVR NRI Institute of Technology (DTBU)

Co-convener

- Prof. B Venugopal, HOD : CSE

Technical Program Committee

- Dr D Sunitha, Dean : School of Computer Studies, Dr RVR NRIIT (DTBU) (Chair)
- Dr. Rama Sree Sripada. Pro Vice-Chancellor(Academics) & Professor in CSE, Aditya University,Kakinada
- Ankur Bhatnagar, IEEE Senior member, Tech LeaderAustin, Texas, United States
- Dr Balwinder Raj, NIT Jalandhar, Punjab
- Neha Bolor, Software Engineer, Zoox Inc. Foster City, California, USA, California, USA
- Yuhao Chen, Data Scientist at Circle, Master Degree of UC Berkeley, Circle Internet Financial, UC Berkeley, New York, United States
- Praveen Hegde, Senior Manager - Emerging Commercial Platforms, Verizon, Atlanta, United States, GA, USA
- Dr Anasuya Sesha Roopa Devi Bhima , Professor, Conestoga College Institute of Technology and Advanced Learning, Ontario, Canada
- Prof. Paritosh Bhattacharya, Professor, NIT Agartala
- Dr. Bhargavi Konda, Independent Reseache, University of the Cumberlands, Massachusetts, USA
- Dr Manisha Bharti, Associate Professor, National Institute of Technology Delhi, Delhi
- Mr. Uma Desu, GenAI Specialist, IntelliIndia, Hyderabad
- Mr. Sai Satish Damaraju, Founder and CEO, Indian Servers, Vijayawada
- Mr. Abhishek Doijode, Chief Talent Officer, Virtusa
- Prof.V. Ch Venkaiah, School of Computer Science, University of Hyderabad

Advisory Committee

- Srikanth Bellamkonda, Assistant Vice President | Networks & Security, Barclays Services Corp, New Jersey, USA (Chair)
- Vishal Jain, Software Engineering Leader, NYC, USA, NJ, USA
- Niranjana Reddy Kotha, Sr. Cloud and Infrastructure Security engineer, Charter Communication, Colorado, USA
- Dr. Mohammad S Khan, Professor Department of Computing, East Tennessee State University, USA
- Prof. Marcos Eduardo Valle, Assistant Professor of Applied Mathematics, Institute of Mathematics, Statistics and Scientific Computing (IMECC), University of Campinas, Brazil
- Prof. Marco Di Renzo, CNRS Research Director, Centrale Supélec – University Paris-Sud Paris, FRANCE
- Prof. Saad Mekhilef, Dean & Professor, University of Malaya, Malaysia.Rachit Gupta, Sr.Technical Architect, Guardian Life Insurance, TN,USA
- Jyotirmay Jena, Associate General Manager, HCL Technologies, Texas, United States
- Dr. Shashi Kant Gupta, Adjunct Research Faculty, Lincoln University College, Malaysia
- Muhammad Saqib, Delivery Consultant - AI/ML & Cybersecurity, Amazon Web Services – USA, Texas, USA
- Sudheer Kolla, Senior PostgreSQL DBA Centers for Medicare & Medicaid Services, 7500 Security Boulevard, Baltimore, MD 21244, Texas, USA
- Shubham Malhotra, Software Developer, Amazon Web Services, Washington, United States
- Shilpi Bhattacharyya, Global Product Manager IBM, 2455 South Rd, Poughkeepsie, NY 12601, Washington, United States
- Dr. Vinay Kumar Kasula, Independent Researcher, University of the Cumberlands Virginia, USA
- Sam Prakash Bheri, Principal Technical Manager, Microsoft, WA, USA
- Raja Chakraborty, Senior Engineer, LiveNation Ent., Ticketmaster, CA, USA 91381
- Chinmay Jain, Group Product Manager, Waymo, CA, USA
- Priya Yesare, Principal SQA Engineer, Asurion, 1101 Church St, Nashville, TN 37203, USA
- Dr. Mounica Yenugula, Sr. Cloud Services Engineer, Equifax, Atlanta, Georgia
- Sam Prakash Bheri, Principal Technical Manager, Microsoft, WA, USA
- Ruthvik Uppaluri, Manager, FP&A Systems, University of Missouri at Kansas City, MO, NC, USA

Advisory Committee

- Dr Ch V Murali Krishna, HOD CS-DSc., NRIIT, (Chair)
- Prof. J Rajendra Prasad, HOD – IT Dept, NRIIT
- Dr. Ramesh Kumar Bhukya, Indian Institute of Information Technology-Allahabad, Prayagraj.
- Prof. Venugopal Boppana, CSE, NRIIT
- Dr. Neha Gupta, Associate Professor, VITAP
- Mr. Veeranjanyulu Kureti, Technical Specialist Team Lead, Accenture Innovation Hub, Bengaluru
- Dr.Makineedi Rajababu, Associate Professor, Aditya University, Kakinada
- Dr. Anoop Kumar Mishra, Professor, VITAP
- Dr T S Ravi Kiran, HOD & Associate Prof., PBSc.
- Dr. Kanwarpreet Kaur, Assistant Professor Contractual-II, Thapar Institute of Engineering and Technology, Patiala, Punjab
- Dr. Manjunath Mulimani, Manipal Institute of Technology, Manipal Academy of Higher Education (MAHE), Manipal
- Dr Jay Singh, Professor, BL Bajaj Institute of Technology & Management, New Delhi
- Prof. Rama Murthy Garimella, Mahindra University, Hyderabad
- Dr. J. Venkataramanaiah, EEE, NIT Surat
- Dr. Bheemappa Halavar, IIIT Sricity
- Dr Y Arpitha, CS-DSc., NRIIT
- Prof. Kuthadi Venu Madhav, Dept of cS & IS, International University of Sc. & Tech., Botswana, South Africa
- Dr Shesha Raghunathan, Quantum Computing & Deep Tech Leader, IBM, Bengaluru
- Dr Koppala Guravaiah, Dept of CSE, IIIT, Kottayam
- Dr M Venkateswara Rao, IT, Dr RVR NRIIT DTBU
- Dr Ch V Murali Krishna, HOD CS-DSc., NRIIT
- Dr Bh Dasaradh Ram, HOD CS-AIML, NRIIT
- Dr P Rajendra Kumar, HOD AIML, NRIIT
- Prof. V.V. Subrahmanyam Director & Professor School of Computer and Information Sciences (SOCIS) IGNOU, New Delhi
- Dr. Shonak Bansal, Associate professor, Chandigarh university

National Advisory Committee (Continued....)

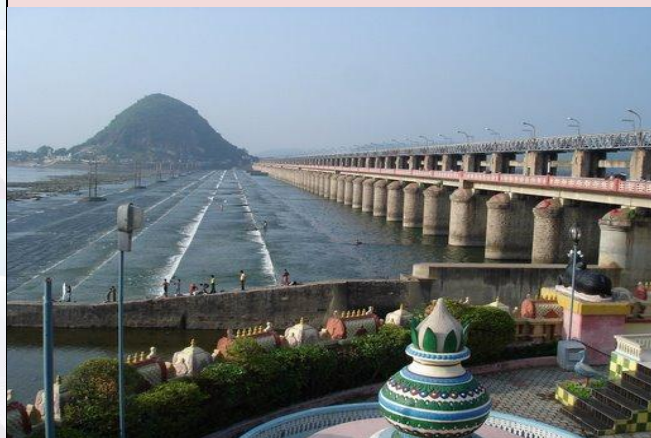

- Dr T S Ravikiran, Asst. Prof., CS Department, PBSc., Vijayawada
- Dr M Venkateswara Rao, IT, NRIIT
- Dr G Shobana, CSE, NRIIT
- Dr T Manasa Veena, AIML, NRIIT
- Dr. K Gayatri, Associate Prof., CSE, NRIIT
- Prof. V Teju, CS-AIML, NRIIT

Editorial Committee

- Dr K V Sambasiva Rao, Director, Research and Development (Chair)
- Dr Anasuya Sesha Roopa Devi Bhima , Professor, Conestoga College Institute of Technology and Advanced Learning, Ontario, Canada (C-chair)
- Dr D Sunitha(Member)
- Prof. B Venugopal (Member)
- Dr. Udit Satija, IIT Patna
- Dr. Vinay Kumar Kasula, Independent Researcher, University of the Cumberland, Virginia, USA
- Dr. Dakshina Ranjan Kisku, Associate Professor, NIT Durgapur, CSE, Durgapur - 713209, West Bengal

Participation/Publication Certificate

All participants will be issued a Participation Certificate. Additionally, those who present papers will receive a Paper Presentation cum publication Certificate

About Vijayawada

Vijayawada, the second-largest city in Andhra Pradesh, lies on the banks of the Krishna River, flanked by the Indrakeeladri Hills. Known as “The Business Capital of Andhra Pradesh,” it is a key center for commerce, politics, and agriculture. Major attractions include the Kanaka Durga Temple, Prakasam Barrage, Undavalli Caves, Bhavani Island, Gandhi Hill, and Mogalarajapuram Caves.

Weather in February: February offers pleasant weather, with temperatures ranging between 20°C to 30°C, making it an ideal time for sightseeing.

How to Reach: Vijayawada is well connected by air, rail, and road. The Vijayawada International Airport (13.5 km from the city) operates flights to Delhi, Mumbai, Chennai, Bengaluru, Hyderabad, and more.

The Vijayawada Railway Junction is a major station on the Chennai-Howrah and Chennai-Delhi routes. The city also has a robust road network with frequent bus services from various parts of India. Vijayawada’s strategic location, tourist spots, and connectivity make it a perfect destination for both business and leisure travel.
